TO the 1915 Hudson line of enclosed cars has been added the Landau I Limousine. Built on the popular Light Six-40 chaseis, it combines all the advantages of the completely enclosed limousine and the airiness of the open phaeton. Like all Hudson Closed Cars, the Landau bodies are really works of art. This newest model already has been accorded a surprising welcome. The roof is of aluminum and can be guaranteed waterproof. The seat plan is the same as the Six-40 standard Limousine. The car easily accommodates six or seven adults. The auxiliary seats fold into the back of the front seat. They may be so adjusted that their occupants face either to
